7. I spend too much of my weekend on the computer. There are plants in the garden to water, washing-up in the sink, clothes to iron, and walls to paint, but I am busy looking things up in the Internet! Still – it is the weekend.
8. Let's talk about our weekends! At the weekends, I usually do my homework (if I have a lot of homework). Sometimes I listen to the music or read my favourite books. I often watch films, twice a month. How about your weekends? Have a nice day.
9. During the weekends, I usually spend my time with all my family: my three children and my husband. On Saturday morning, I buy many vegetables, fruit and all I need to prepare some good meals. In the afternoon we go for a picnic with some friends. It's a day to have a good time together. I try to make each weekend a holiday.
10. It's not easy to plan a weekend of family fun. Of course there are parks and rivers for outdoor activities. But no matter what your family likes, a visit to the museum is a good idea.
